PER

DEPUTY CLERK

TO: THE ABOVE ADDRESSES:

RE: ILLEGAL CONFISCATIONS OF LEGAL MAIL,

Dear Sir / Madam:

First and foremost good day and god
 bless. The reason for this letter of complaint
 is due to illegal activity here at SCI-mahanov
 acts of illegally confiscating incoming
 court and attorney mail both from the
 united states middle district courts and
 Pennsylvania's Law projects. see Exhibits

"A-and-B" Further I am a target for
 retaliation as I've undergone retaliation
 for civil action Murray v. Wetzels, et al.
No. 3:17-CV-0491, and mainly for my close friend-
 ship and affiliation with high profile political
 Prisoner Mumia Abu-Jamal.

Further on July 11th, 2018 I was called to pickup legal mail, when I arrived to the security visit strip I was told by both officers Chapman C.O.1. and S. Peters that I am not allowed any legal mail sent to me from any law projects or courts because too many inmates are winning medical lawsuits from the information that we receive from the PA Inst Law Project and Lewisburg Prison Law Projects. I was told that too many of us are being mailed too much winning legal information and that any of these law projects incoming legal mail will be censored/read and confiscated by security and destroyed. the two (2) exhibits are in support of this Document. And shall warrant an outside investigation. by both the U.S. Court and U.S. Attorney's office.

The legal information mailed to me was to help me Amend my complaint which all the case laws were illegally confiscated after I was forced to sign for such I was told by officer S. Peters and LT. Wall C.O.3 if I file a grievance and challenge their actions that I will be punished and subject to false misconducts, strip cells annoying cell searches and further confiscations of cell legal materials. and ongoing retaliation.

I filed a Affidavit to the courts along with an Addendum Motion asking the court for immediate action and investigation into this most serious matters.

Further, I request the the United States Attorney get involved and take appropriate action As this should be handled as a federal crime.

Such tampering confiscations are illegal and shall be considered a Federal offense.

I was told by C.O.1 S. Peters that they will Just make up a lie and say their reasons for such confiscations is that they will lie and say they found Drugs in the legal mail that came from the law projects even though their real reasons is because Inmates are winning lawsuits against them and Medical staff.

And C.O.3 LT. Wall stated even though my grievance have merit he will deny them any way. and things will get worse for me.

I am not the only prisoner complaining of this and something need to be done to stop these unlawful violations of my due process rights also in violation of my First and Fourteenth amendment rights of the United States constitution I seek relief. Damages, punitive and compensatory damages.

I respectfully ask the Court and this office of United States Attorney to take action in matter after the findings of facts, as the Exhibits shall warrant a prompt investigation.

I, Irving Murray, being duly sworn according to the Law depose and says all that's said above herein with this Affidavit/Complaint-letter that All of the information I have submitted letter from the Pennsylvania law Project and copy of confiscation slip letter dated on: 6/26/2018 and confiscation form dated 7/3/2018 DC-154A. No. C-130682 in undisputed support in my case No. 3:17-CU-0491 is true and correct. And any false statements herein are subject to unsworn falsification to federal authorities. under penalty of perjury pursuant to 28 U.S.C. § 1746,

CONFIDENTIAL LEGAL MAIL

Dear Irving Murray,

Thank you for reaching out to discuss mail censorship at SCI Mahanoy. We really appreciate you taking the time to share your expertise with us.

With the information we received from you and others, we contacted the Institutional Law Project (ILP) to inform them of the issues with their correspondents. ILP is aware of the problems with the mailroom at Mahanoy and Frackville and they are working to resolve them so that people can receive their legal mail.

Thank you again for your insight. Hopefully ILP is able to address these illegal confiscations as soon as possible.

Yours,

Maggie Schepcaro
Paralegal
